Tony Renze Upgrades

Congratulations to Tony Renze, KE0GWP who upgraded from Technician to General class at the PARC Flea Market. Tony was the only person who tested and he was successful.

New Salvation Army Leader

Tim North, KD0GFT, with the Salvation Army is no longer in Fremont. He's been transferred to Iowa City. Tim told me he has been replaced by Stephen Hansen, KD0LJE.

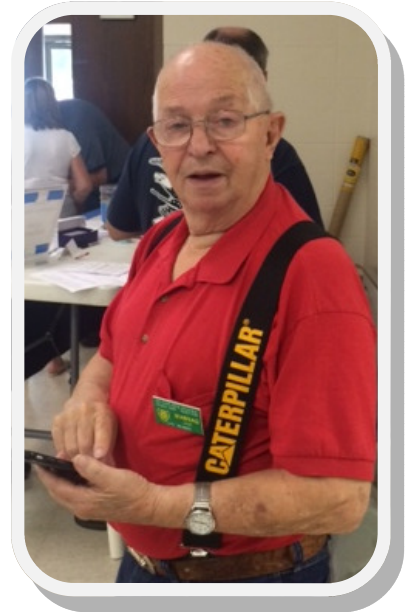

Steve and I have exchanged emails. He hopes to attend the July 28 PARC meeting. I have added him to my email list.

The Prize Cabinet

This is PARC Flea Market 2016. Thank you especially to Jane who made most of the food when I was not able to be there this year. And thank you to her "helpers" - Linda, Sharon and especially Janet who is not even a PARC member.

I understand the Flea Market and the Food Stand were a success again.

Thank you Rich and Jane for a job well done, again.

And thank you to Dave T for taking all the photos for me.

Amateur Electronic Supply (AES) closing. HRO Taking Over Milwaukee Location

Amateur Electronic Supply (AES) made the decision to close down their entire organization and terminate all retail at their Las Vegas, Cleveland, Orlando and Milwaukee locations.

Ham Radio Outlet (HRO) sent management to the locations to interview staff with hopes of acquiring some of the talent.

HRO was successful in providing offers to employment to a number of the AES employees.

After the Milwaukee AES location closing on July 28, Ham Radio Outlet will begin extensive remodeling to create the largest Amateur Radio retail showroom in North America. It will open at the end of August, 2016.

HRO is a family owned business with 14 sales locations throughout the United States, making it the largest Ham Radio dealership in the world.
