Phil, KA0UNB To Present Program

I have created some screen shots and short videos for a FT-8 demo at the Aug. meeting. Hopefully my laptop will work / display on Gambino's flat screen tv. I did buy a long hdmi cable, something that should reach the back side of the tv. I don't have a plan "B" so this laptop to tv thing has to work or the demo will be a bust.... Wish me luck! Phil / KA0UNB

She, along with KB0TVB, KB0ZUN, and K0OMH, will decide on a color. N0LOP will send out the decision so that orders can be made at the August meeting. Lance Hoffman, WN0L asked if anybody knew the status of K0KQE. Several people were sure that he was a silent key. W7UP reported that the August program would be presented by Phil Bahl, KA0UNB, on the new digital mode, FT8, that has taken 6 meters by storm.

DRAWING: The winner of \$10 was Ray McNally, N5SEZ.

ADJOURN: The meeting was adjourned at 745 PM.
