Possible Presentation On PARC Badges

Mel, K0VLA told me this morning that he thought that Tom Smith, the Dodge County Emergency Manager, might be attending our meeting Thursday to make ID badges for those that want them. Mel thought Tom said that at a CAP meeting where he was also making badges.

I sent Tom an email asking about his plans, but I haven't heard back. I don't have an after-hours phone number for him.

When he gets back to me, what are your thoughts about having him do that if that is what he would like to do?

Dave T. W0NRW

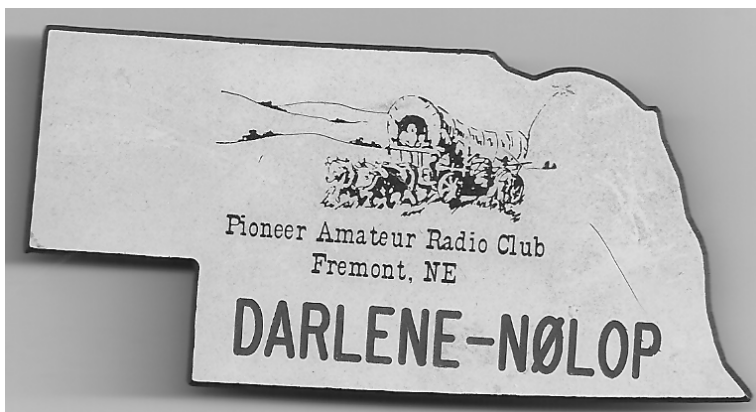

Editor's Thoughts

Most of our members that have been in the club for awhile have our nice Conestoga wagon badges with our names and call sign on them. But in saying that, our more recent years members do not have badges.

So this might be an option if enough people want a badge.

Darlene, N0LOP
