Pioneer Amateur Radio Club of Fremont, Nebraska

Boy Scout Station KN0BSA

Please add us to your calendar, KN0BSA, the Mid-America Radio Scouting Group, will have a station operating on October 17, 2020, for the Mid-America Council's Scouting Jubilee near Ashland. This date also coincides with the Jamboree-on-the-Air, the largest Scouting event in the world (<https://www.scouting.org/international/jota-joti/jota/>). We plan on operating from 13:00Z until 2:00Z (Oct. 18th).

KN0BSA will most likely be on 20 meters between 14.320-14.340 and 17 meters above 18.140. On 40 meter we should be around 7.282. We will also have a digital station running PSK31 on 40 meters and 20 meters.

If anyone has time to monitor and take time to talk with Scouts, that would be great.

*Tnx to all & stay safe,
Jeff Beiermann, WB0M,
KN0BSA trustee*

ARRL And Change

Recently, nominations for Midwest Division Director and Vice Director were announced. The current director is retiring.

There was only one candidate nominated for director. Therefore Arthur Zygielbaum, K0AIZ will be the Midwest Division Director effective Jan. 1, 2021 for a three year term. Art has been the Vice-Director for the last 6 years and is very capable in complex issues, procedures, operations and governance of the ARRL board.

Two candidates for Vice Director were announced: Dave Propper, K2DP and Lloyd Colston, KC5FM. So the division members will choose by mail-in ballot. The Vice Director will consult with the director, serve on board committees, and has the power of succession per the bylaws.

Mini Ham Radio Flea Market Was A Hit Amid Covid-19

A much needed Mini Ham Radio Flea Market was held in Surprise at the home of Mark, WA0AAH earlier this month.

Mark had the ham radio estate of Don, WA0AES.

And because all the formal flea markets had been canceled in the area, hams were anxious for this event. Not only for the equipment, but for the comradery they had been missing.

Needless to say, the event was a hit.

Get Well Soon!

There have been a rash of illnesses among our Ham Radio operators and spouses lately.

Karol Theophilus is dealing with possible chemo and/or radiation for breast cancer.

Lance Hoffman had back surgery on the 16th. He is coming along fine, but it will be a stretch yet.

Sandy Cunningham has been in the hospital dealing with cellulitis in her legs.

Steve Narans had knee surgery last month.

And I hope there are not any more, but at this time, these are the people I know about.

Please join me in wishing them all the best results.
