Saturday & Sunday Operation At Field Day

The weather cooperated for Field Day 2021. The weekend was totally enjoyed especially after last year without a formal Field Day. Chairperson, Don, is seen supervising the erection of the antennas. Super job by the Mehafeey clan, Rich, Jane, Ross and Ryan. The entire Flea Market, including the Attendance, Raffle ticket sales food court was over the top of any other year. I have more pics, but no more room. I will sift them into future issues. Darlene NOLOP

PARC News Addition

Pioneer Amateur Radio Club of Fremont, Nebraska

Joe Means and Steve Narans attended the National CERT conference in Springfield, MO last week.

Steve presented a session on the role of ARES with Emergency Management.

The main speaker was ill and Steve filled in. Good PR for PARC and ARES and Fremont.

After we put out the newsletter yesterday, Lance and I thought it would be a good idea to make this 2 page addition. Mainly, because the information would become too dated by next month.

My computer would barely move yesterday as I was putting down the last of 32 pictures. That is the reason I stopped at 6 pages.
